#### Description

The main business of China Bolongbao Group includes organic farming, deep processing, organic ecosystem, agricultural health, cross border commerce and cultural tourism. In the past 25 years, it has been making efforts to build international commercial relations. Not only is it master of China's four major airlines, China National Airlines, China Eastern Airlines, Southern Airlines and sea airlines on the sale of duty-free goods. In 1995, Chateau Bolongbao, the first Chinese winery in Fangshan District, Beijing, was also established.

The winery strictly adheres to the same brewing process and quality requirements as the world famous chateau, and the wines produced have won various International Medals: the Decanter world wine competition, the RVF (La Revue du Vin de France) world wine competition, the bettane+ desseauve wine tasting Guide and also the Chinese held Wine contests, record the excellent quality of the Bolongbao Wines.

The branch of Bolongbao group has more than two hundred high-end fashion restaurants all over the world. In China, it supplies to the first class wine cellar of China International Airlines, and the business class for more than ten years, and there are many selected customer resources.

At present, the group is setting up an international wine town in Fangshan District, Beijing. The town is the key project of the national strategy of "revitalizing the countryside". It is committed to creating a high end wine culture business experience area and actively cooperating with the professional international museum. With the organic vineyard as the backing, this future wine culture tourist area will welcome the wine lovers from all over China to learn, taste, enjoy the beauty and wine.

Our twenty years' professional experience has proved that the quality of our Chinese wine, or our customers and partners, has always been the most important consideration in our choice. We consistently and truly respect the Chinese consumers, providing only traceable and best quality wine.
