### Bilateral Meetings

- Friday 15:45 - 17:00

#### Description

Founded in 2010 with a registered of 9.88 million yuan, Beijing Chicheng Tianlong Television Culture Communication Co., Ltd. is a comprehensive cultural communicator integrating film and TV drama production, release, and investment, ads planning and filming, entertainment activities, and online game investment.

Since 2011, the company has invested in producing a number of films like Jinge Mountain Legend, The Second Is Also a Bronze Statue, Fortune Comes, Mianyang 1911, Wind from the Dam, and Armor of Old Days, etc. Among them, The Second Is Also a Bronze Statue has won the Baihe (lily) Award of China's 12th Digital Film.

As internet videos increasingly gain popularity in recent years, the company made its first attempt in investing in and producing an internet film: The Lost Mountain House, which now has become a hit show throughout the internet.

Since its founding, the company has gradually established strategic partnerships with various commercial enterprises and mainstream media, dedicated to providing industrial services including advertising creativity, planning, filming, production, release, and promotion. With the advertising business covering film & TV ads, corporate feature program, documentary planning and production, TV media, outdoor media release, corporate image promotion and MTV, it is also a multi-functional and all-around service provider organization, planning and promotion of cultural activities.

From 2011 to 2013, it participated in investing in 4 large online games, namely, Demon-God Wars, Rings of Zilfin, Ethereal Legend, and Mobile Version of Blood Wu3 Lin2's, which proved remarkable successes in market efficiency.

At present, the company is focusing on planning an array of commercial movies and television. So far, it has completed 2 theatre chain screenplays, 1 CCTV6 film screenplay and 1 internet film screenplay, with 1 theatre chain screenplay, 1 CCTV6 screenplay, 3 internet film screenplays and 2 internet drama screenplays in production. Currently, the company's planning sector, TV play sector and playwright team are on a resource-collecting trip in Yunnan to prepare for the planning and screenplay of the 40-episode historical play Go to Yifang (the Sino-Burmese border area) (over 100 million estimated for this TV play). Also, the company's production team now has involved in the preliminary preparation of the film in the past, with screenplay by Gao Erchun, the national class-A literal scriptwriter, directed by Zhai Junjie, famous director at August First Film Studio. With an estimated investment of 30 million yuan.
